### Chemical Hazards:
- ☐ Inhalation
- ☐ Skin contact
- ☐ Injection
- ☐ Ingestion

### Physical Hazards:
- ☐ Electrical
- ☐ Fire/Explosion
- ☐ Radiation
- ☐ Noise
- ☐ Slips/falls
- ☐ Thermal Stress
- ☐ Falls (>4 feet)
- ☐ Nip or pinch points
- ☐ Strike against/Struck by

### Biological Hazards:
- ☐ Bloodborne pathogens
- ☐ Mold
- ☐ Plants/Insects/Animals

### Ergonomic Hazards:
- ☐ Repetition
- ☐ Forceful exertion
- ☐ Vibration
- ☐ Contact stress
- ☐ Awkward posture
- ☐ Work area design

---

**In case of an incident, the following people will be contacted:**

- **Supervisor:**
- **EHRS:** (215) 898-4453
- **Other:**
### Personal Protective Equipment Requirements

- Safety glasses
- Face shield
- Chemical goggles
- Welding helmet
- Hard hat
- Hat, hair net, hair tie
- Arc or flame resistant clothing
- Chemical protective clothing
- Cut-resistant clothing
- Leather/work gloves
- Cut resistant gloves
- Cryogen gloves
- Hot work gloves
- Electrical work gloves
- Safety shoe/boots
- Slip-resistant shoes
- Rubber boots
- Fall protection equipment
- Hearing protection (note type and rating)
- Respiratory protection (note type):
- Chemical resistant gloves (note type):
- Other – Note:

#### Required permits or procedures:
- Hot work permit
- Confined Space Entry Permit
- Excavation & trenching plan
- Work in proximity to overhead conductors
- Other – Note:

#### Specialized Training or Certifications
- Asbestos Awareness
- Bloodborne Pathogens
- Chainsaw
- Confined Space
- Control of Hazardous Energy
- Electrical Safety
- Elevated Work Platforms (Lifts)
- Fall Protection
- First Aid/CPR (Lockout/Tagout)
- Hazard Communication
- Hearing Conservation
- Laboratory Safety
- Materials Handling
- Overhead Hoist
- Personal Protective Equipment
- Powered Industrial Trucks
- Respiratory Protection
- Scaffolds
- Shop Safety
- Welding, Cutting and Brazing
- Other – Note:

#### Gas detection or other related instrumentation requirements:
- Carbon monoxide
- Nitrogen dioxide
- Lower explosive limit (gas detection)
- Oxygen
- Lower explosive limit, oxygen, hydrogen sulfide, carbon monoxide (confined space)
- Carbon dioxide
- Other (Note)

#### Hazardous substances Safety Data Sheets available and reviewed:
- Yes
- N/A

List hazardous materials used or attach SDS(s):

#### Site Control:
- Barricades
- Post signs
- Caution tape
- Designated area
- Equipment/vehicle spotter
- Flag person/traffic control
- Establish meet & greet process
- Other (Note)

#### Environmental Conditions:
- Weather:
- Terrain:
- Wildlife:

#### Tools, machines and Equipment:
- Pre-use inspection complete
- Periodic/routine inspections/maintenance up to date
- Trained in use of tool/machine & equipment and properly documented
- List tools/machines/equipment used:

### Diagram or Additional Notes and Comments:
